Foreign Supply

Not Applicable

Local Supply

Payment will be made directly to the Contractor by EGAT in the following manner:

- a. Payment for Equipment
 1. Eighty (80) per cent of the Contract Price will be paid on the basis of pro rata value of each delivery against presentation of the Contractor's statement or delivery order confirming the ex-works delivery of Equipment duly certified by EGAT's representative*, EGAT's letter of approval for delivery and EGAT's letter of approval for test report** of the relevant Equipment.

*EGAT's representative means the authorized EGAT's Store personnel to verify the quantity of Equipment according to the packing list to be delivered to the Site

**Test report means the report of tests specified in Article E-13. Inspection and Tests.

2. Ten (10) per cent of the Contract Price of each item will be paid against presentation of Drawings and Documents Acceptance Certificate to be issued by EGAT to certify the receipt of all drawings and documents required from the Contractor under Article F-11. Drawings and Documents to be Furnished by the Contractor but not before the first delivery.
3. Ten (10) per cent of the Contract Price of each item will be paid when the terms and conditions of this Contract shall have been completely fulfilled and all the Equipment have been proved satisfactory and accepted by EGAT against presentation of Acceptance Certificate to be issued by EGAT and submission of maintenance security by the Contractor. In case there are some minor pending claims or fault of the Contractor, the payment of this balance will be made by deducting such claimed amount.

However, if through no fault of the Contractor or of the Equipment, such installation, test and operation or use of the Equipment are delayed beyond a period of six (6) Months after complete ex-works delivery of same; payment of this ten (10) per cent will be made as soon as possible but not later than the ninth (9th) Month after complete ex-works delivery and it shall be deemed as if acceptance of Equipment is made by EGAT at the end of the said sixth (6th) Month and the one-year guarantee shall start therefrom against submission of maintenance security by the Contractor.

In case there are some minor claims or minor fault of the Contractor, the payment of this ten (10) per cent shall be made by deducting such claimed amount and the guarantee period of this part will start after such minor claim(s) has been settled by the Contractor and acceptance of which has been made by EGAT.

b. Payment for Conductor Tests

One hundred (100) per cent of the cost of Conductor Tests will be paid after the tests have been performed successfully and the test reports have been approved by EGAT.

Item b. to e. (payment for spare parts, optional items, field test cost, and installation supervisor) shall not be applicable.

Article F-9. Liquidated Damages for Late Delivery of Equipment

The Liquidated Damages shall be at the rate of one-tenth of one (0.10) per cent of the price of each complete item of Equipment not timely delivered for each Day of delay. This sum is payable regardless of the actual loss and/or damages incurred, provided that the total claim of liquidated damages shall not exceed ten (10) per cent of the Contract Price of such delayed Item.

Article F-11. Drawings and Documents to be Furnished by the Contractor

Article F-11. shall be revised as follows:

The Contractor shall submit four (4) copies of the following drawings and documents to EGAT for approval:

1. Certified test report along with test report of chemical composition of aluminum ingots furnished by the Contractor for fabrication of transmission line conductor.
2. Proposed procedure for each finished conductor test as specified in the Specification and diagram showing the test arrangement.
3. Quality Assurance Program
4. Detailed assembly drawings of reel showing dimensions including materials to be used and method of construction.

As soon as possible and not later than one (1) Month before delivery time of the conductors, the Contractor shall submit four (4) copies of all drawings, instruction books, test reports, reports of all finished conductor tests, including clear photographs of the test set-ups and all data of the conductors furnished under the Contract.

Fabrication and Delivery time

Within one (1) Month after receipt of notice of Award of Contract, the Contractor shall submit to EGAT a detailed fabrication schedule to meet the delivery period. This schedule shall show key dates for design, production of drawing, fabrication and delivery of conductors.

During the various phase of design, fabrication and delivery, the Contractor shall submit a monthly progress report to EGAT to show in reasonable details the status of the Work.

Quality Assurance Program

Within thirty (30) Days after award of the Contract, the Contractor shall submit four (4) copies of his programs for quality assurance to EGAT for approval. The program shall include the details for controlling quality through process control, inspections, test control, the procedures for correcting possible production of non-conforming articles, his planned reports and quality assurance records.

Transportation to EGAT's Stores

The Contractor shall be responsible for transportation of all the conductors, if required, to EGAT's stores as specified in this Contract. However, for local supply, EGAT reserves the right to accept the conductor on Ex-works basis; in such case the cost of transportation shall be deducted from the Contract Price.

The Contractor shall provide storage facilities for handling; if required, for any item of conductor delivered Ex-works for a period up to two (2) Months after the specified guaranteed date of Ex-works delivery.

INVITATION TO BID NO. RTS2-CON-04
